BUILDING EXCELLENCE!

with Tradition, Stewardship, Leadership and Scholarship!

As we look to the future of our brotherhood, we know that the chapter house and an educational endowment will serve a central role in our long-term success.

For many of us, our years in Upsilon Alpha were our launching pad. We developed organizational and social skills, and lifelong friendships that have served us well in life. "Not for college days alone" is alive and well within our brotherhood!

Upsilon Alpha is approaching 100 years old, and we want to ensure our long-term future by raising at least \$2.5 million dollars to help fund the following:

- \$1,000,000 to pay off the mortgage so that we can use those funds to build long term capital reserves and support the chapter's new leadership development program. Thanks to two major gifts from Buzz Sands '63, this goal is accomplished.
- \$1,000,000 to endow a scholarship program to ensure we can recruit and retain the best members.
- \$250,000 to endow a career coach and career programming to ensure Upsilon Alpha has the best career network on campus.
- \$250,000 to use towards chapter house capital replacement items as our chapter house approaches 20 years old and is in more frequent need of systems replacement and major repairs.

We invite all graduate brothers, parents and undergraduate brothers to be part of our effort to honor Upsilon Alpha's past and to ensure our future.

There are many giving levels and naming opportunities. Consider how you can leave your legacy to help preserve Upsilon Alpha for another 100 years.

Thank you in advance for your support!

Upsilon Alpha Campaign Steering Committee,
Perge!

"My time at Upsilon Alpha made me a better leader, friend, father, husband, and human being. I reflect and draw upon the life lessons learned, and relationships established, literally every day since I graduated. Let's all support this effort to make sure the chapter lives on for another century and has an opportunity to positively impact the lives of so many fine young men. Perge!"

ERIC CARMICHAEL

"Arizona FIJI had a major impact on my college experience and life. It effectively shrunk a large university of 20,000+ students into a smaller group of diverse, yet like-minded men. Through a series of shared experiences including a challenging and meaningful pledgship, shared meals, impactful philanthropic activities, many successful intramural teams, daily hoops and sand volleyball, fun parties, awesome spring break trips, Arizona sporting events, etc. I developed deep and meaningful friendships that made me a better person and have remained strong after 20+ years of post-collegiate life."

JEFF DERICKSON
 '72

"Belonging to Phi Gamma Delta has very special meaning to me. This Fraternity helped mold me into the man I am today and provided many great memories and solid friendships throughout the years. Now it is time to give back. Please join me in supporting this campaign to support the Upsilon Alpha chapter. Remember: "Phi Gamma Delta is not for college days alone."

BRAD EAST
 '92

"Phi Gamma Delta was the most impactful and meaningful part of my four years at the University of Arizona. Lifelong friendships that remain extremely close continue thirty years later. FIJI shaped my college years, contributed to my career path, and continues to be a major influence in my social circle. Even when meeting or associating with older or younger FIJIs that you didn't know in school, there is a solid, common bond and mutual respect. Truly, Upsilon Alpha FIJI is not for college days alone."

MICHAEL JOHNSON

"Phi Gamma Delta and more specifically the Upsilon Alpha Chapter, have had a profound impact on my life ever since the day I pledged! Phi Gamma Delta has provided me with life long friendships and countless memories that I will cherish for the rest of my life. The brotherhood that I have experienced and continue to experience is unmatched anywhere. During my years as an undergraduate, the fraternity helped me grow and mature as a person and provided me with numerous opportunities to become a responsible leader. Phi Gamma Delta and my Upsilon Alpha Brothers helped shape who I am today. Let's make sure that we as Graduate Brothers maintain the legacy of Upsilon Alpha and provide current and future undergraduates with the opportunities and experiences that have meant so much to us.

JEFF MONGAN

"Upsilon Alpha of Phi Gamma Delta has given me so much; great college memories, opportunities for personal growth, building leadership skills and lifetime friendships. Let's continue our work to sustain and enhance Upsilon Alpha by paying down the debt, building reserves and enhancing educational and scholarship opportunities. Not for College Days Alone!"

DAVID PAGANO
 '96

Being a part of FIJI was an incredible experience during my college years. While attending U of A, the fraternity provided a brotherhood that allowed me to flourish academically and socially. The adventures I shared with my pledge class and fellow fraternity brothers laid the groundwork for friendships that have and will last a lifetime. Whether for business or pleasure, the FIJI network provides a shared brotherhood that can never be broken. Even after 25 years, when I reunite with some of my classmates, it is like time has not passed and we are able to pick-up right where we left off."

VINSON SAN ANGELO
 '62

"As you know, I've dedicated a great deal of time and effort in Upsilon Alpha because I believe in its value, and the importance of continuing to instill those values in the younger men of today. To give these men the opportunities we had requires graduate support; and, it is with this in mind that I encourage you to help us accomplish this goal by participating in the capital campaign to support educational programs, chapter house improvements and maintenance, and mortgage debt reduction to make membership affordable to a wider pool of men. We can make a difference!"

WALL of GIVING

"I would encourage everyone to participate in the New Capital Campaign. I've stepped up and paid off the mortgage and that removed a huge burden for the chapter. I have many fond memories of the FIJI house and the many activities having lived there for two and a half years. I still enjoy contacts with many brothers after all these years. I hope you will join me in making a difference for our chapter." – Buzz Sands '63

We will combine giving from the last campaign and this campaign and create a Wall of Giving in the Chapter House. As donors contribute more through their lifetimes, we will update their name on the wall. Gifts can be paid off over a 5-year campaign pledge.
